

AGN. NO.

MOTION BY SUPERVISOR GLORIA MOLINA

April 12, 2005

For over 27 years, the Los Angeles County Victim-Witness Assistance Program has strived to improve advocacy, compensation, and restitution for victims of crime. Every April, National Victims' Rights Week is observed, with special activities organized by the Victim-Witness Assistance Program. This year Victims' Rights Week will be April 10-16, 2005 and will commemorate "Serving Justice, Serving Victims." During this week, program volunteers are recognized for their outstanding contributions to the Program, and events are scheduled to draw attention to the plight of victims and the services that are available to them.

I, THEREFORE, MOVE, THAT, the Board of Supervisors of the County of Los Angeles declare April 10-16, 2005 as Crime Victims' Rights Week in the County of Los Angeles.
